10TH Annual International Congress of Arthroplasty Registries (ISAR 2021) – 2nd Virtual congress – November 11-13(14), 2021

It is a great pleasure to encourage you all to participate in the 10th International Congress of Arthroplasty Registries – ISAR 2021 – 2nd Virtual Congress.

Unfortunately, due to the uncertain situation of the Covid-19 in June 2021, it has been decided that also this ISAR congress will be a virtual congress.

Time: November 11, 12 and 13 – 11.00am-2.30pm Los Angeles (PST), 2.00pm-5.30pm New York (EST), 8.00pm-11.30pm European (CET), November 12, 13 and 14 – 6.00am-09.30am Sydney (AEDT)

The high quality programme will consist of a mix of sessions based on submitted abstracts, symposia, lectures, work-shops and poster presentations. You will be involved as a speaker or participant and most of all you will have the freedom of discussing with all participants either during sessions or networking between sessions.

We hope you will join us for a great virtual congress!
